FAO MRS RACHAEL BALMER

Re: Sites Consultation – Local Plan Sites Document

Dear Mrs Balmer,

Thank you for your letter of 30th October re the above. Around 2008/9 we submitted a number of sites to yourselves to be considered for the residential allocations in villages as part of the Ryedale local plan. These were mainly for the attention of Daniel Wheelwright and related to sites in Wrelton, Middleton, Wilton, Newton upon Rawcliffe, Marton, Broughton and Fadmoor. I have read through the letter but am a little confused after so many years of varying activity re the local plan development sites.

I wonder if it possible for you to let me know whether future housing proposals in the above villages are no longer being considered – and that these villages are being left to die!

Yours sincerely,

PW Fisher.
