Sites Consultation- Local Plan Sites Document

Dear Charlotte Bogg

Thank you for sending me the details of the Sites Consultation. In April of this year, Daniel Wheelwright, in response to a question from me, informed me that Ryedale District Council was not including any of the sites submitted by Ampleforth landowners for final sites selection. Having checked your web site reference (<http://www.ryedaleplan.org.uk/local-plan-sites>), I note that a total of 9 sites are listed as potential sites in Ampleforth.

If, as Daniel Wheelwright earlier informed me, RDC was not going to include any sites in Ampleforth for inclusion in the Local Plane Sites why are these 9 sites now listed and why are you inviting consultation responses from interested parties? Is this because RDC notified the landowners that the sites would not be included and the landowners have decided – all 9 of them – to challenge this non-inclusion?

I would be grateful for some clarification.

Yours sincerely

Frank Ellis
