Dear Sir/Madam,

I am writing in reply to your letter, Local Plan sites.

For us here in Stanton, I feel the best site for new builds, if we have to have any at all would be the plot owned by Mr Alan Honeybell of Spitchs Corner, Stanton. The site between his house and those Council Houses of Mayfield Villas would be the best bet, easy access to it from the A64 and being on fringe of the village would cause little or no upset to the village as a whole. The school numbers would rise, but other than this there should be no upset of any other means. Thankyou.

yours faithfully
