Forward Planning Officer
Ryedale District Council.

Dear Sir,

I am writing to object to the proposed development of Site 616 and Site 111 on Knoll Hill Ampleforth.

I speak as an artist who has a deep appreciation of the special beauty and unique character of Knoll Hill as it rises perfectly on approach from the East.

I have many visitors who are always expressing in their art and words of this unique ^{green} hill. It would be a sacrilege to destroy it.

Yours faithfully
