Subject: Local Plan comments

For the attention of Charlotte Bogg - Managing Development Officer

Dear Charlotte,

Further to your email dated November 2, 2015 sent on behalf of Mrs Rachael Balmer, please find comments from Leavening Parish Council.

Sites in Leavening Parish: -

Leavening CP 45 Northside Works, Malton Road
Leavening CP 560 Land East of 4 Wold Terrace, Leavening

The Parish Council support the view of RDC that these sites should be discounted from this plan period. With the developments currently proposed for Preston Hill we believe that this is sufficient to meet the housing needs for this village during this plan period.

Site 45 , Northside works , Malton road is currently used for local businesses and our view is that this should be designated as "Employment"

For & on behalf of Leavening Parish Council

Peter Bosson

Clerk to Leavening Parish Council
