Norton-on-Derwent
Malton
North Yorkshire YO17 9ES

22nd March 2016

Mrs Rachel Balmer,
Planning Officer,
Forward Planning & Conservation,
Ryedale District Council,
Ryedale House,
Malton,
YO17 7HH.

Dear Mrs Balmer

NEW SITE SUBMISSION - NORTON SITE ID 660

Thank you for your letter dated 23rd February 2016. Members of the council discussed the site submission at its council meeting on the 21st March 2016 and we would report as follows.

The subject site being a large parcel of land lying to the east of Norton adjacent to the Norton Grove Industrial Estate and stretching as far as the A64 bypass. Members were firmly against the potential of development, as with all other sites in the town at this time as significant problems still remain.

These significant problems relate to traffic congestion, air quality, inadequate sewer capacity, flooding and drainage and these should be not only addressed, but fixed, before any further development takes place in the town.

It is also contested that this site is of inappropriate size and also does not have any bearing with the current shape of the town.

The council would be grateful if these objections could be noted and recorded.

Yours sincerely,

Ros Tierney
Town Clerk
