**For the attention of Rachael Balmer**

Forward Panning  
Ryedale District Council

Dear Mrs Balmer.

**Re:- Land to rear of the car park of the Malt Shovel public house Hovingham.**

Further to my conversation with Paula Craddock this morning I confirm that it is our intention to apply for planning consent to develop the small piece of land at the end of Pasture Lane.

We anticipate a residential development of one or two houses with access from Pasture Lane..

Yours faithfully

**Tim Watson**
