Site No: 130 - Local Plan Sites Documents and Policies Maps

Further to our telephone conversation on Tuesday 12 December and in response your email and letter dated 09 November regarding the Publication of the Ryedale Plan.

In particular I refer to previous correspondence and telephone conversations regarding the VIUA on Site Number 130, The Lodge, 103 Middleton Road, Pickering, YO18 8NQ. I note that you confirm that the VIUA is proposed to be lifted in the publication documents and naturally I support this action.

I write to confirm that in my opinion the Plan is sound.

In trusting that this meets with your approval and that I will be notified of any changes specifically with regard to Site No 130.

Regards
Roger Clayton
