Dear Ms Thompson

Local Plan Sites Document and Policies Map consultation

Further to your request for comments on the above consultation, please find our comments below.

The only change we would request to the Policies Map for Weaverthorpe, is that two pieces of land be included as Visually Important Undeveloped Areas. These pieces of land are:

Weaverthorpe War Memorial Site grid ref: SE 96419 70839

Land to the south of Wesley Cottage which is publicly maintained recreational land, grid ref: SE 96790 70888

The locations are marked on a copy of the enclosed map along with individual prints of the OS maps of the above two areas.

For your information at the last meeting of Weaverthorpe Parish Council, the Council agreed to register, these pieces of land, along with other land already included in your VIUA designation, as Common Land.

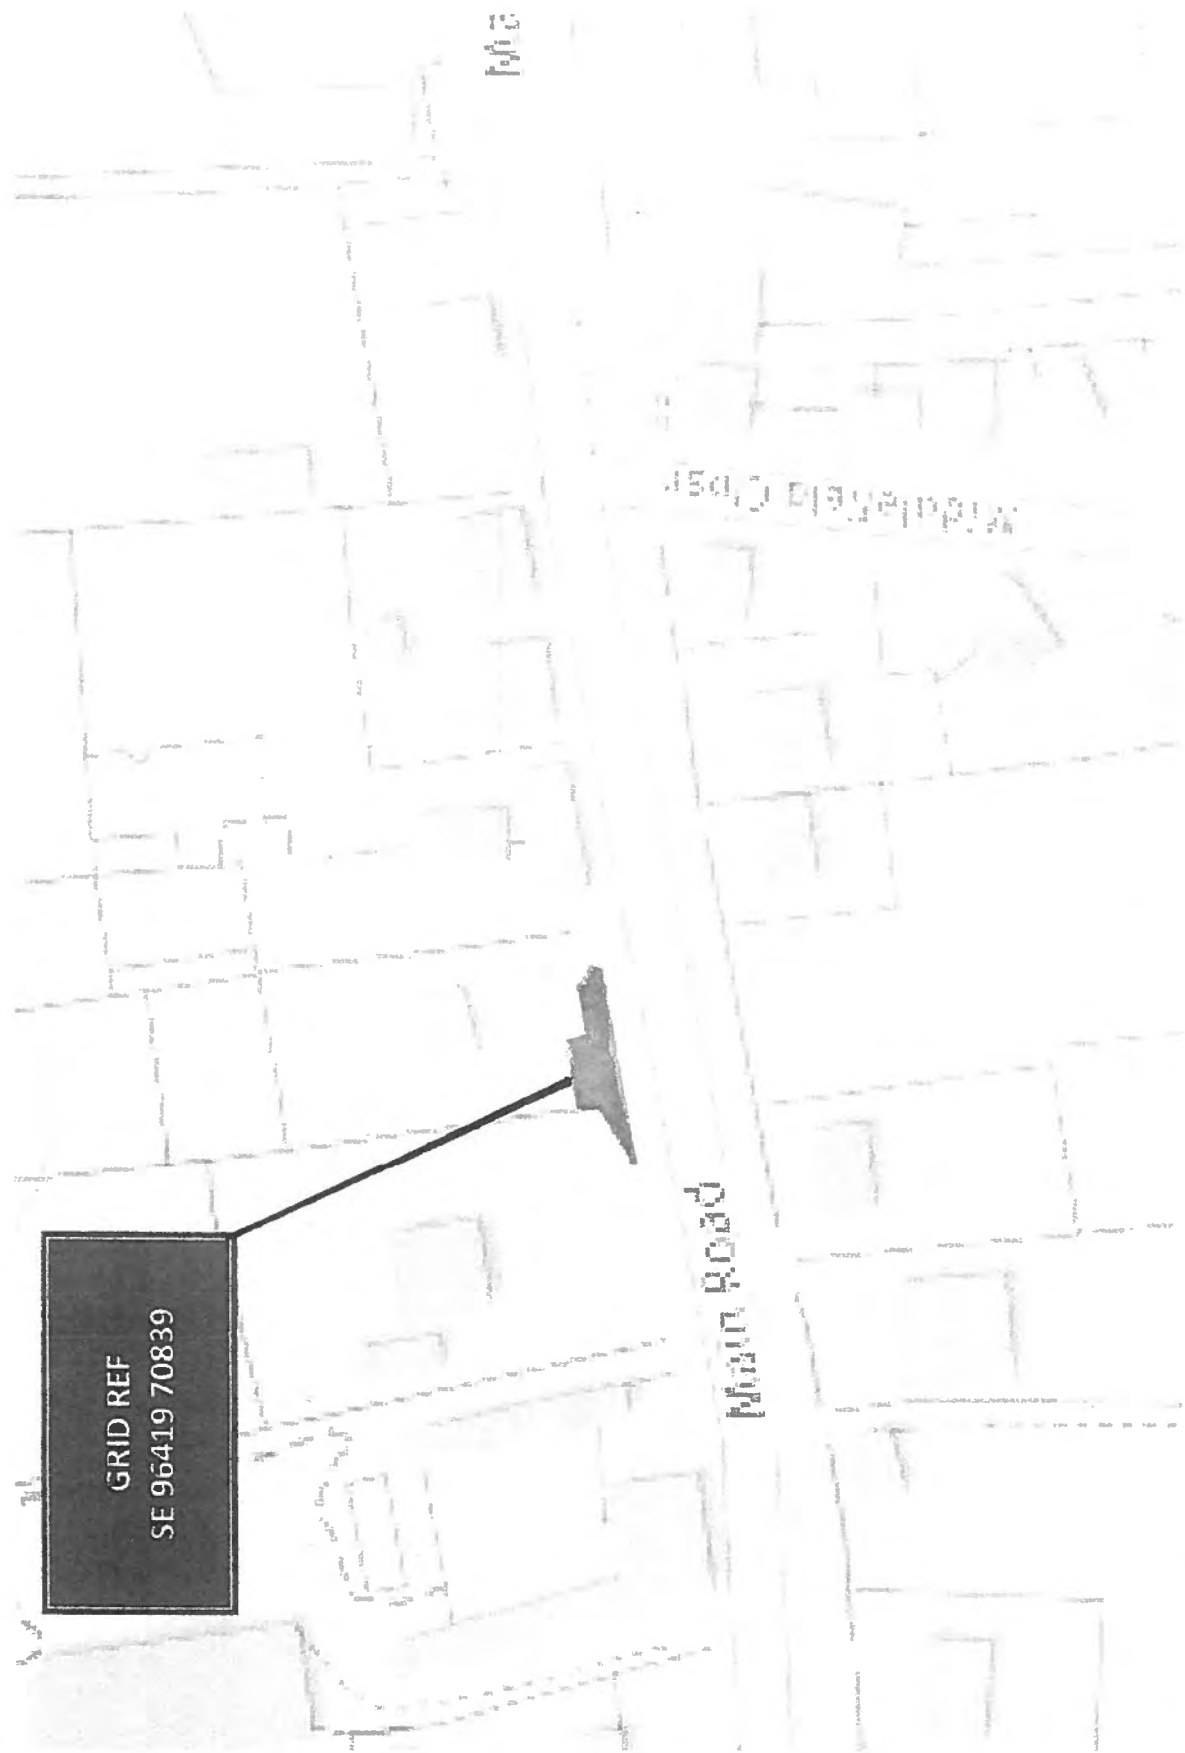

Yours sincerely
