Which part of the document or map does this representation relate?	Policies Map
Do you consider the document is:	
Legally Compliant	No
Sound	No
Please give details of why you consider the document is not legally compliant...	The document takes no cognisance of our desire to preserve Sand Hutton Walled Garden and its remaining walls. I believe a house could be built on the site if permission were granted under Paragraph 55 rules ie building of a passivhaus. No cognisance has been taken by the RDC Planning Department to consider this approach.
Please identify the specific policy, paragraph, table or map you are commenting upon	Sand Hutton Walled Garden
Please set out what modification(s) you consider necessary	The development plan should be more flexible to permit building outside the permitted villages, sites

	and development zones. Villages like Sand Hutton are in terminal decline owing to the lack of movement of householders except when they die.
