Subject: Consultation of Local Plan Sites Documents - Main Modifications

Good morning

Pickering Town Council received the consultation documents detailed in your letter of 4 February 2019, and considered these documents at their meeting on 18 February 2019. The council has no specific comments to make on the Schedule of Main Modifications, however, the council did wish to make the comment that members did not find the Schedule of Main Modifications, or the other supporting documents, easy to read and understand.

The council would also like to know if there is a date by which the Local Plan Sites Document is likely to be finalised.

Kind regards

Mrs Angela Dawson
Town Clerk
